

# Rene Evans- Felting Workshop

October 8 and 9 2010

Camp Casey Coupeville

Est Cost with 10 Students: \$160- Includes \$40  
Materials cost

**\$75 Non refundable Deposit is required to save your spot.**

Workshop Details:

**Day one** – Sample study: Each person makes a series of samples (5-6) that explores different wool types and how they feel when felted. Lightweight laminated felt techniques are taught, and a small three-dimensional piece and/or lattice piece can replace one of the samples if the group wishes (this decision can be made on the day). Sample pieces can be further embellished and used in fibre art projects such as quilts

**Day two** – Individual Felt Project

Yardage study: Gossamer yardage project which is enough to make a vest front, 50" long scarf, pillow cover or art piece.

Flat felt project: Flat felt project which is enough to make a journal covers, seamed bag, lattice scarf or vest front, a pillow cover or art piece.

3D felt project: 3D felt project such as a bag, boots or hat.
