### ***Doubleweave: Beyond the Basics***

In this round robin workshop participants will explore what can be done with multiple layers of cloth on a multi-shaft loom. We will weave samples and study the theory behind a variety of structures including 4-layer weaves, double-width twill cloth, multi-layer color blending, stitched cloth, doubleweave checkerboards and windows, and doubleweave twill and block pick-up.

### ***Doubleweave Diversity***

Learn all about the magic of doubleweave! In this workshop participants will weave a sampler that explores weaving two independent layers of cloth, double-width cloth, tubular weaving, color-and-weave effects, pique, quilting and doubleweave pick-up. Graphing designs and working with multiple colors will be introduced. These techniques can then be taken home to create clothing, sculptural pieces, decorative hangings and whatever else the imagination can dream of.

Level– Beginning to intermediate 4 Shaft
