Basket Weaving Classes

Dates & Sign-Ups

Class

In this class, you will complete a round basket using round reed in the randing technique. This is a 4 or 4 1/2 hr. class, everyone will finish, to my best ability, as a weaving teacher. You may like to wear old clothes, due to working with wet dyed reed. We always have a great time, because of my love of teaching basket weaving! Students under 18 years old must be accompanied with a parent (Check with me first).

Sign Ups & Fees must be done before classes, use form at bottom of sheet. Fee: \$65 ea. Because of my busy Schedule, **no refunds**, your class booking, has **booked me** for that class time. Of course, if class didn't reach **minimum class size** you will be notified, to reschedule or you will receive a **refund**. See website! Thank you, R.K.

See back, for scheduled classes in your area. You may call or e-mail me for the latest weaving classes.
